ABOUT US

Al Mehnya Trading and Contracting (MTC) was established in 2010 in Qatar. Since then we have been active and growing within the contracting and trading field firmly and steadily. We are a highly experienced and competent company that is aiming to become Qatar's number one concrete repair resort.

We at **MTC** provide concrete repair solutions including Crack Injection, Jacketing, Wrapping and CFRP strengthening. Our mission is to provide our customers an exceptional concrete repair service in a safe and timely manner.

OUR VALUES

Because it's our integrity and honesty that define us, we always do what we say we will do. Our commitment to success implies that we will be exceeding our customers' expectations.

Because it is our character, above all else, we believe in being an ethical, dependable company that focuses on quality.

Our team is the foundation of our success. That's why we focus on attracting, retaining, and training the industry's most talented professionals, so that the work we deliver makes us all proud. With our focus on career development and our place in a vibrant industry, we aspire to become an employer of choice.

WHY CHOOSE US

01

Our attention to details

It's our attention to the small stuff, scheduling of timelines and keen project management that makes us stand out from the rest. We are creative, while keeping a close eye on the calendar and your budget.

02

Because we've been there and done it

When you choose us, you'll feel the benefit of 12 years' experience in the contracting and trading field.

03

Because we don't cost the earth

You can rest assured that our company will be offering you the most convenient price in the market.

04

Our health and safety regulations

We comply with stringent Health and Safety regulations, which is essential both to our clients and the safety of our workforce.

OUR VISION

To Become a Regional Leader and First Choice Partner for Clients, as we Prolong Life Span of Their Assets by Strengthening, Repair or Rehabilitation of any Type of the Structure by Excellent Engineering Practice.

To Continue Successful Growth of the Company by Providing Innovative, Effective & Creative Turnkey Solutions for Complex Structural Challenges with Particular Consideration of Individual Client Requirements.

To Provide Services to Public, Private and Oil & Gas Sectors and to Assure Repeat Business of Our Reputation of Success & Trust.

OUR MISSION

MTC has the Ambition to Become a Unique, Energetic, Innovative Company, known for its Reliable Quality and Providing Creative Engineered Turnkey Solutions.

This will be Achieved Through Regional Leadership, Continuous Development of Project Management and a Deep Technical Understanding of the Services, Continuously Providing Real Value to our Clients in all areas of our Business. This will Significantly Facilitate the Clarity of Challenges and Efficiency in their Management for all Stakeholders.
